*Kittel's Kannada-English dictionary*. Madras: University of Madras, 1968-1971. 4 vols. New edn by M. Mariappa Bhatt.

1st edn: Ferdinand Kittel, *A Kannada-English dictionary*. Bangalore: Basel Mission Book & Tract Depository, 1894. 1752 pp. – 1st edn reprinted: New Delhi: Asian Educational Services, 1983.

A concise bilingual dictionary with citations and brief quotations from Kannada texts, giving precise references. Headwords are in Kannada script and in transliteration. Taxonomic names are given for fauna and flora.

The new edition adds nearly 8000 new entries, as well as new glosses and quotations, particularly for *desya* words. It also adds citations and quotations of a wide range of older Kannada literature, some of it unpublished and unknown in Kittel's time.
