

1053.

J. T. Molesworth, *A dictionary, Maráthí and English*. Bombay, 1857. 921 pp.
2nd edn.

'Printed for Government.'

1st edn: *A dictionary. Murathee and English* 1831 1162 pp. 'Assisted by Lieutenants T. and G. Candy.'

A very copious dictionary of nineteenth century Marathi with glosses in English. The Marathi is given in Devanagari script only. The story of how the work was done, drawing from both oral and written material, is well worth reading (p. xxi).
