Bashir Ahmad Qureshi, *Standard twentieth century dictionary. Urdu into English*. Delhi: Educational Publishing House, 1984. 688 pp. 'Students edition' in nastaliq calligraphy.

Alternate title: *Kitabistan's twentieth century Urdu-English dictionary*.

A brief-entry bilingual dictionary, useful for the vocabulary of modern Urdu. I do not know the history of this work: it appears to be an Indian reprint of a Pakistani publication.
